

REMARKS

The above amendments have been made to the application to more nearly conform to the recommend U.S. patent application format.

In the specification, a cross reference to related applications has been added and the recommended section headings have been added. The abstract has been amended by deleting drawing reference numbers.

Claim 8 has been amended to delete the multiple dependency. Claims 11-13 which were not in an acceptable U.S. claim format have been cancelled

Respectfully submitted,

By Oliver E. Todd, Jr.
